Welcome to the State Qualifying Cross Country Meet to be held Thursday, October 22nd at the Audubon Golf and Country Club. Turn onto South Division St West, the course is located 1/2 mile west of Hwy 71 in Audubon. The meet will begin promptly at 4:00 p.m.

Results will be posted to: <http://vptiming.com/>

Audubon Golf and Country Club has granted us permission to use their facilities, please instruct your runners to stay off all greens and tees and help keep the restroom facilities clean. We have added 3 porta-potties for your convenience.

Time Schedule: 4:00 p.m. Varsity Girls
4:35 p.m. Varsity Boys

Parking: We are going to park cars & buses differently for this SQM than we have done for our invitational.

- Buses: We ask all bus drivers to please drop off runners & coaches at the golf course and then park the buses at an open lot just west of Hwy 71 on South Street (street that runs by the golf course). You will just backtrack back about 6 blocks. We will have golf carts shuttling bus drivers back to the course if they wish.
- General Parking: We will be using Bluegrass Park to park cars for \$5 per vehicle. It is a couple of blocks east of the golf course. Please do NOT park along the street.
- Handicapped Parking: There will be parking available at the golf course for those with designated handicapped stickers.

Map: I have attached a course map. Those that have run here before, please note that the course is not the same route we typically run for a home meet.
